

**SHUTTLE SERVICE  
RUNNING TUESDAY –  
SATURDAY**

**Start date: April 4, 2023**

Northern Health is expanding transportation services between **Masset** and **Daajing Giids** to support patients accessing services in Daajing Giids, their families and support persons, and for staff travel between communities.

The new shuttle service is the result of ongoing collaboration between Northern Health - working closely with the Ministry of Health - and community leaders on Haida Gwaii to improve and stabilize health care staffing and patient access to services in Masset, Old Masset and surrounding communities.

The new transportation route will operate in partnership with Eagle Transit, offering same-day return service, Tuesday through Saturday, between Masset and Daajing Giids. There is no cost for the service.
